European Integration Processes in the 21st Century: Key Trends, Main Challenges and New Perspectives

The Conference is intended to serve as a venue for academic discussions of Ukrainian and International scholars on various aspects of the EU and European integration processes over the past decades. Its main purpose is to advance academic excellence in the field of European Studies in Ukraine.

The Conference theme will cover the following topics:

- *The EU in the international arena– policies, tools and global relationships*
- *Uniting Europe: Political, Economic, Social and Cultural Forces*
- *The EU and its neighbors: global vision, local approach*
- *Jean Monnet Programme: Promoting EU studies at universities world-wide*
- *Rule of Law and Fundamental Rights in the European Union*
- *International market and economic integration*
- *The EU in international relations: Connecting Internal and External Policies*
- *EU policy towards Ukraine*
- *The EU fundamental values*
- *European integration: governance and policy practices*

Target audience: representatives of academic community from Ukraine and foreign countries, Jean Monnet projects coordinators and teaching members, students and graduates, representatives of the NGOs, national and international experts from a variety of professional backgrounds, public officials, policymakers.

Conference languages: Ukrainian and English.

Venue: Kyiv National University named after Taras Shevchenko (Main Building, Historical Faculty, Volodymyrska St. 60, room 329)
