

Dr Iman BUGAIGHIS BDs

MSc, PhD in orthodontics

Head of the Orthodontist Department at the Garyounis Dental Faculty,
Benghazi -Libya.

I was among few women who started protesting on the 17th of February.

Spokeswoman of the revolution and for the NTC.

Human rights activist.

I was member of the Libyan committee working with the Human rights
facts detections appointed by the UN.

Member of the delegation team visiting the United Nation General
Assembly last September, where the NTC retook the Libyan chair after
its recognition.

Now I am active in the civil society and in my faculty, trying with my
colleagues to assess and improve the faculty and the quality of education.
At the same time I continued to be active in the NGOs and in supporting
the front line.
